

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Considerations for Building Expert Systems

- Can the problem be solved effectively by conventional programming? (expert systems are suited for ill-structured problems- problems with no efficient algorithmic solution)
- Is there a need and a desire for an expert system?
- Is there at least one human expert who is willing to cooperate?
- Can the expert explain the knowledge to the knowledge engineer in a way that can understand it.
- Is the problem-solving knowledge mainly heuristic and uncertain?

Expert Systems: Principles and Programming, Fourth Edition
